

# Odyssey of the Mind

**Is Coming to AVS for Grades 3-6!**

## **What is Odyssey of the Mind?**

The **Odyssey of the Mind (OM)** teaches students to learn creative problem-solving methods while having fun in the process. Students learn how to identify challenges and to think creatively to solve problems. They are free to express their ideas and suggestions without fear of criticism. For more information:  
[http://www.odysseyofthemind.com/learn\\_more.php](http://www.odysseyofthemind.com/learn_more.php)

AVS is looking to start a pilot OM Project in January, 2018 for interested students in grades 3-6. Mrs. Frances Kruger (parent) is leading our team and is looking for an additional parent or two to help volunteer with the project. Here is more info:

**Who:** Up to 7 students Grades 3-6 only

**When:** Jan. 25 - Mar. 15, 2018 (Thursday's 3:15-4:15pm)

**Location:** Science Lab

**What:** Students will work as a team to solve multiple project problems. Students will also have the chance to present their project work to other students at AVS.

**Fee:** None

If your child is interested, please complete the attached permission slip and return to the office. Up to 7 students will be accepted and others will be placed on a waitlist. If more than 7 are interested, we may have another section open up later in the year, or see if more parents are interested in starting a second OM Project.

If you have any other additional questions re: OM Project 2018, please contact Frances Kruger at 707-799-9151, or by email: [francese.kruger@gmail.com](mailto:francese.kruger@gmail.com).
