## Principal's Message

Alexander Valley School is a small, rural kindergarten through sixth grade (K-6) school located in the beautiful wine country of Sonoma County. With an enrollment of 120 students and no class containing more than 20 students, students receive a great education in an environment that is friendly and nurturing, and at the same time has high academic standards and expectations. The school was modernized and added a new library during the summer of 2007. The entire school is hardwired for technology and has wireless capacity throughout. All classrooms have computers. Students in grades K-1 have one on one access to iPads, and students in grades 2-6 have one-on-one access to Chromebooks.

The teaching staff is highly trained and experienced, and the support staff is excellent. Several consultants provide instruction in art, music, strings, Spanish, hands-on science and technology lab. In addition, students are provided many field trips, assemblies and additional enrichment opportunities such as poetry, opera and astronomy, just to name a few.

Parents are very active in the school. They volunteer in numerous ways with special activities, including the Halloween Fall Festival, the Valentine's Day Dance and Cinco de Mayo. The Friday hot-dog days are very popular with the students. The Parents Club puts on the annual Spaghetti Dinner and Auction, which is a huge community event, and the proceeds go to supporting art, music and computer classes for our students.

The faculty participates in a number of curriculum and instruction initiatives through the Sonoma County Office of Education. In addition to being a part of the Sonoma Leadership Network, the staff incorporated the California Common Core State Standards into its daily instruction, well ahead of the state's fall 2014 deadline.

In summary, Alexander Valley School is an incredible place for children to receive a great education and to have an experience that enriches their lives.

## Parental Involvement

Alexander Valley School is proud of its extensive parental involvement. Our Parents Club is an active organization that is highly involved and plays a pivotal role within our school community. Not only do parents fulfill the traditional role of classroom volunteers, but they also are active participants on all of our schoolwide committees. Examples of these include the School Site Council, District English Learner Advisory Committee (DELAC), Curriculum and Technology. Our Parents Club is also instrumental through its support of our enrichment programs. Through our annual Spaghetti Dinner and Auction event, the Parents Club funds critical programs such as art, music, technology and the garden.

For more information on how to become involved at the school, please contact Mrs. Cally Puckett, Parent Club president, at (707) 433-1375.

## School Safety

Alexander Valley School developed its school safety plan during the 1997-98 school year. Each year, the plan is reviewed and revised as needed by the School Site Council. Proposed changes to the plan are brought to the school faculty on an annual basis prior to board adoption. The plan contains the following elements:

- Assessment of the current status of school crime
- Strategies and programs
- Child-abuse reporting procedures
- Disaster procedures, both routines and emergency
- Policies regarding actions which would lead to suspension and/or expulsion
- Procedures to notify teachers of dangerous pupils
- Sexual harassment policy
- Schoolwide dress code
- Procedures for safe ingress and egress of pupils
- Rules and procedures on school discipline
- Other safe school strategies and programs
- School discipline plan

The plan is kept in the school office and is available for review upon request. The school safety plan was last reviewed, updated and discussed with school faculty in February 2018.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## Mission Statement

Alexander Valley School is a challenging learning environment where high expectations for success are communicated, and developmentally appropriate instruction in academics and the arts is provided. Our school is a safe, orderly, caring and supportive environment where students are given the tools they need to thrive. Our parents, teachers and community members are partners, creating a setting where children flourish.

### Enrollment by Student Group

The total enrollment at the school was 130 students for the 2016-17 school year. The pie chart displays the percentage of students enrolled in each group.

### Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Number of Classrooms by Size** **Three-Year Data**

Grade	2014-15			2015-16			2016-17

## CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA) in grades 5, 8 and 10. The table shows the percentage of students scoring at proficient or advanced.

The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

## Federal Intervention Program

Schools and districts will not be newly identified for Program Improvement (PI) in the 2017-18 school year under the Every Student Succeeds Act (ESSA) that became law in December 2015, which reauthorized the Elementary and Secondary Education Act (ESEA). Schools and districts receiving Title I, Part A funding for the 2016-17 school year and were "In PI" in 2016-17 will retain their same PI status and placement year for 2017-18. Schools and districts receiving Title I, Part A funding for the 2016-17 school year and either had a status of "Not in PI" for the 2016-17 school year or did not receive Title I, Part A funding in the 2015-16 school year will have a status of "Not in PI" for the 2017-18 school year. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2017-18 Program Improvement status for the school and district. For detailed information about PI identification, please visit [www.cde.ca.gov/ta/ac/ay/tidetermine.asp](http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp).

## California Assessment of Student Performance and Progress (CAASPP)

For the 2016-17 school year, the CAASPP consists of several key components, including:

**California Alternate Assessments (CAA)** test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

**Smarter Balanced Assessments** include ELA/literacy and math in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit [www.cde.ca.gov/ta/tg/ca](http://www.cde.ca.gov/ta/tg/ca).

## CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-6.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

Textbooks for core subjects are adopted exclusively from the State Board of Education's approved list. Textbook adoption is consistent with the adoption cycle. Reading/language arts and mathematics textbooks are aligned with Common Core State Standards, and history/social studies and science with the California content standards. All students are provided with individual textbooks and materials for each core subject.

Alexander Valley offers a variety of art and enrichment activities for all students in grades K-6.

## Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2017-18 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes	

## Professional Development

Teacher and staff training has centered on the language-arts curriculum, the mathematics curriculum, the use of technology in the classroom and the implementation to the California Common Core State Standards. There are three days of scheduled staff development each year. Individual teachers have taken specialized training, which is provided regularly to all staff, in addition to the three district days. Selected staff members have completed the California English Language Development Test (CELDT) training. All teachers have received certification to provide English language development (ELD) and specially designed academic instruction in English (SDAIE) instruction to English learners.

The certificated staff meets in collaborative planning time each Wednesday afternoon for one-and-a-half hours.

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2017-18 School Year
Items Inspected	Repair Status	
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)	Good	
<b>Cleanliness:</b> Pest/vermin control, overall cleanliness	Good	
<b>Electrical:</b> Electrical systems	Good	
<b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains	Good	
<b>Safety:</b> Fire safety, emergency systems, hazardous materials	Good

<b>Overall summary of facility conditions</b>	Good	
<b>Date of the most recent school site inspection</b>	9/5/2017	
<b>Date of the most recent completion of the inspection form</b>	9/5/2017	

## Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs			2017-18 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action	
<b>Systems</b>	Septic system and roofing has been inspected and will continue to be monitored.	TBD	
<b>Restrooms/fountains</b>	Flooring and partition replacements needed in student restrooms. Seeking quotes on replacement.	TBD	

## School Facilities

The school has developed both a comprehensive safety plan and a disaster-response plan. Both plans provided the planning necessary to ensure the safety of both students and adults. Staff is trained annually with regard to plan implementation. The school also practices duck-and-cover and evacuation drills on a regular basis. The school conducts monthly safety and cleanliness inspections of its facilities. An annual extensive inspection is made of all systems to ensure they are in good repair and are functional. The facilities are maintained by the school janitor and a maintenance/grounds worker. Outside firms are used to make repairs to heating and air-conditioning, plumbing, and electrical systems. The school was built in several phases, originally opening in 1952.

The school consists of eight classrooms, a science/art room, library building, office and teacher workroom. Each classroom has a high-speed internet connection. There are two to four desktop computers available in each classroom and a number of laptops that can be used as needed. A bus barn with an adjacent storage shed is also present.

Outside resources include a large playing field with a softball diamond, a one-third mile jogging track, one full-court basketball court and several play structures. A school garden and an outside eating area complete the outside resources.

## School Facilities

*Continued from left*

The school approved a Facilities Master Plan during the 2010-11 school year. The district completed a modernization project in 2007. In addition, the new library was completed in the summer of 2007. The school received a hardship grant from the state to renovate all of the roofs and to install air-conditioning in all rooms. That work was completed during the summer of 2010.

The following is a list of recent school facility improvements.

- Summer 2010: completed a reroofing project (state Facility Hardship grant)
- Summer 2010: installed air-conditioning in all buildings (state Facility Hardship grant)
- Summer 2012: complete renovation of the playing field (Deferred Maintenance funds, community donations)
- Summer 2012: installation of one-third mile crushed granite track (district general funds, AVS Parents Club, donations)
- Summer 2013: installation of improved drainage between playground and the school track (Deferred Maintenance funds)
- Summer 2013: resurfacing of the asphalt playground (Deferred Maintenance funds)
- Summer 2014: installation of an emergency-supplies container with ventilation
- Summer 2017: installed new carpet in two classrooms and modernized storage cabinetry in two classrooms (Deferred Maintenance funds)

## Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. ## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## Financial Data

The financial data displayed in this SARC is from the 2015-16 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## Types of Services Funded

The following programs and supplemental services are provided by the school:

- Differentiated Instruction
- Resource Specialist Program (RSP)
- Speech and language
- English language development (ELD)
- Math and Reading intervention
- Class Size Reduction (grades K-3)
- Peer Assistance and Review
- North Coast Beginning Teacher Support and Assessment (BTSA)

## School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2015-16 Fiscal Year	
Total expenditures per pupil	\$15,824
Expenditures per pupil from restricted sources	\$2,384
Expenditures per pupil from unrestricted sources	\$13,440
Annual average teacher salary	\$70,595

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of November 2017.
