

# **RENO REPORT UPDATE!**

February 13<sup>th</sup>, 2018

Dear Parents,

Last night the Alexander Valley Union School District Board of Trustees unanimously approved placing a \$6.0 million school improvement bond measure on the upcoming June 5<sup>th</sup> ballot. The measure requires 55% voter support in order to pass.

If approved, the measure will allow the district to issue bonds to fund projects that will improve our classrooms and facilities. Specific projects include:

- \* Constructing a new multi-purpose room, which would include a cafeteria, for school and community use
- \* Improve classrooms, restrooms, and school facilities
- \* Constructing a new kindergarten classroom
- \* Making health and safety campus improvements

The tax rate per property owner is estimated to be \$28.25 per \$100,000 of assessed property valuation (not market value) per year. By law, all funds have to be spent locally and cannot be taken by the state. Furthermore, an independent citizens' oversight committee will be established to ensure that bond funds are properly spent. The law also requires annual audits and no bond money can be used for staff or administrative salaries.

We look forward to sharing more information in the coming weeks on this topic. Developing this plan for a new multi-purpose room/cafeteria and kindergarten classroom is a community-driven process and the outcome will serve generations of students.

Sincerely,  
Matt Reno
