Food Drive

We will be starting our annual food drive at AVS on November 26th. The food collected from our food drive will be given to AVS families in need. Students are encouraged to bring in non-perishable items to their classrooms. Items will be collected each morning. If you prefer to donate money to be used to supplement the boxes, that's great too! If you are sending in a check, make sure it's made out to Nadia Konik, not the school.

We want to make sure this community service project is a success. We will continue to collect items until December 19th.
