

# RENO REPORT

January 5, 2021

Dear AVS Parents and Guardians,

Welcome back! We hope everyone had a nice winter break and is hanging in there as we start the new year, we finally made it to 2021!

New: *California's Safe Schools for All Plan*

Over the break we learned some new information from Governor Newsome regarding the structural components of returning students to In-Person Learning throughout California. The details of the *California's Safe Schools for All Plan* are still being developed and is scheduled to be brought before the legislature next week. The plan is built on four guiding pillars: Funding, Safety & Mitigation, Oversight & Assistance, and Transparency & Accountability. It appears his main proposal within the plan is to open schools to In-Person Learning for elementary-aged (K-6) students as early as February even if a county remains in the Purple Tier. If you are following the news, you will likely read or hear many interpretations and opinions about the proposed plan. We all have questions and wonder how our current plans might be affected. Education leaders throughout the state will be assessing the plan as more details are shared with us. As we learn more, we will keep you posted.

Current K-5 Student Inter-district Registration 2021-2022 begins this week

Over the next week our office staff will be contacting our current K-5 Inter-district transfer families to gather information on their child's AVS enrollment request status for the 2021-2022 school year. Inter-district families that wish to have your child or children enrolled at AVS for the 2021-2022 school year must complete and submit the following forms per child to the AVS office by February 1<sup>st</sup>, 2021. The forms include the Inter-district Enrollment Form and the Attendance Behavioral Agreement Form. Once our office has these forms on file, you will secure your application for the 2021-22 school year and you will not be required to resubmit these documents annually.

We appreciate your continued partnership,

Stay safe and Happy 2021!

Mr. Reno

# REPORTE RENO

5 de enero, 2021

Estimados padres y guardianes de AVS,

¡Bienvenidos de regreso a la escuela! ¡Esperamos que todos hayan tenido unas agradables vacaciones de invierno y estén aguantando mientras comenzamos el nuevo año. ¡Finalmente llegamos al 2021!

## *Nuevo: Plan de Escuelas Seguras para Todos de California*

Durante el descanso, aprendimos información nueva del gobernador Newsome sobre las pautas a seguir para los estudiantes que regresan al aprendizaje en persona en todo California. Los detalles del Plan de Escuelas Seguras para Todos de California aún se están desarrollando y está programado para presentarse ante la legislatura la próxima semana. El plan se basa en cuatro pilares rectores: financiación, seguridad y mitigación, supervisión y asistencia, , y transparencia y responsabilidad. Parece que su propuesta principal dentro del plan es abrir las escuelas al aprendizaje en persona para estudiantes de primaria (K-6) a partir de febrero, incluso si un condado permanece en el nivel morado. Si está siguiendo las noticias, es probable que haya leído o escuchado muchas interpretaciones y opiniones sobre el plan propuesto. Todos tenemos preguntas y nos preguntamos cómo podrían verse afectados nuestros planes actuales. Los líderes educativos de todo el estado evaluarán el plan a medida que se compartan más detalles con nosotros. A medida que sepamos más, los mantendremos informados.

## La inscripción actual entre distritos de estudiantes de K-5 2021-2022 comienza esta semana

Durante la próxima semana, nuestro personal de la oficina se comunicará con nuestras familias de transferencia entre distritos K-5 actuales para recopilar información sobre el estado de la solicitud de inscripción AVS de su hijo para el año escolar 2021-2022. Las familias entre distritos que deseen que su hijo o hijos se inscriban en AVS para el año escolar 2021-2022 deben completar y enviar los siguientes formularios por niño a la oficina de AVS antes del 1 de febrero de 2021. Los formularios incluyen el Formulario de inscripción entre distritos y el formulario de acuerdo de comportamiento de asistencia. Una vez que nuestra oficina tenga estos formularios archivados, usted asegurará su solicitud para el año escolar 2021-22 y no se le pedirá que vuelva a enviar estos documentos anualmente.

Agradecemos su colaboración continua,

¡Manténgense seguros y feliz 2021!

Director Reno
