

RENO REPORT

March 30, 2021

Dear Parents,

It has been so great welcoming our students back to campus the last couple of days! We now have 98.25% of our entire student body returning to in-person learning and I am thrilled to share with you how incredible they have all been! The students are quickly adapting to our new safety protocols and have been spending time reconnecting with their peers and our staff. We are excited to offer full days of instruction five days a week and look forward to great learning outcomes as we work through the upcoming last couple of months of the year.

Just a quick reminder for our parents who have been unable to complete the online daily health screener for your child. I can't stress enough how important it is to complete this step each day your child steps onto campus. You are your child's first health checkpoint in the morning, please complete this step daily as required. By completing this 2 step health check, you are ensuring your child is well and can safely enter campus. If you need assistance with accessing the health screening tool please contact Kim in our office via email at kbernard@alexandervalleyusd.org. Speaking of our office, if you need to drop something off or communicate with the office, we now have a slider window at the front of the school for you to access. Thank you parents for helping ensure our sustained reopening!

Sincerely,

Mr. Reno

Date Reminders:

April 2nd (Friday) Minimum Day Dismissal (11:50am A-H), (12:00pm J-P), and (12:10 R-Z)

REPORTE RENO

30 de marzo, 2021

Estimados padres de familia,

¡Ha sido muy bueno dar la bienvenida a nuestros estudiantes al campus los últimos días! Ahora tenemos el 98.25% de nuestro cuerpo estudiantil regresando al aprendizaje en persona y estoy encantado de compartir con ustedes lo increíbles que han sido. Los estudiantes se están adaptando rápidamente a nuestros nuevos protocolos de seguridad y han pasado tiempo reconectando con sus compañeros y nuestro personal. Estamos emocionados de ofrecer días completos de instrucción cinco días a la semana y esperamos grandes resultados de aprendizaje mientras trabajamos en los próximos dos últimos meses del año.

Solo un recordatorio rápido para nuestros padres que no han podido completar el examen de salud diario en línea para su hijo. No puedo enfatizar lo suficiente lo importante que es completar este paso cada día que su hijo ingresa al campus. Usted es el primer punto de control de salud de su hijo por la mañana; complete este paso todos los días según sea necesario. Al completar este control de salud de 2 pasos, se asegura de que su hijo esté bien y pueda ingresar al campus de manera segura. Si necesita ayuda para acceder a la herramienta de evaluación de la salud, comuníquese con Kim en nuestra oficina por correo electrónico a kbernard@alexandervalleyusd.org. Hablando de nuestra oficina, si necesita dejar algo o comunicarse con la oficina, ahora tenemos una ventana deslizante en el frente de la escuela para que pueda acceder. ¡Gracias padres por ayudarnos a asegurar nuestra reapertura sostenida!

Sinceramente,

Director Reno
