Superintendent-Principal

August 6th, 2021

Dear Parents and Guardians,

I would like to officially welcome all our new and returning parents to the 2021-2022 school year. I hope each of you had a great summer and your children are looking forward to returning to school on August 18!

Over the last few weeks the county has seen an increase in positive Covid-19 cases due to the Delta variant. As we prepare the campus for students and staff to return, I want to share with our families the California Department of Public Health (CDPH) site safety measures we will be implementing as we start the school year. We have learned an incredible amount of information last year on ways to keep our students and staff safe. With just over 70% of Sonoma County having already been fully vaccinated, and the implementation of the CDPH safe school guidelines, we are excited to start the year. Outlined below is a general list of some of the new and returning practices AVS will be implementing during the 2021-2022 school year. I should note, this is not an all-inclusive-list, but it will provide each of you some framework around some key logistics as we start to think about the new school year.

ATTENDANCE

When students are absent or come to school late, they miss valuable class instruction and can be disruptive when entering the classroom. Please be on time!

Alexander Valley School will use the **S**chool **A**ttendance **R**eview **B**oard (SARB) process to meet the needs of pupils with school attendance problems.

The SARB process begins when a student has excessive absences and/or is habitually tardy as determined by state regulations and local school board policies. The Education Code Section 48260 states, “a pupil who is absent from school without a valid excuse for three days in one school year or is tardy or absent for more than any thirty-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the District’s Superintendent.”

In addition, students are only allowed a total of seven (7) absences due to illness during a school trimester. Any absence that exceeds the seven illness days will be unexcused unless a doctor note is provided.

If you have any questions or concerns regarding the school attendance or the SARB process, please contact the school office.

COMMUNICATION: TUESDAY MAIL

Our Tuesday mail will be sent home every Tuesday. Please look for the Tuesday mail, as it contains updated information, calendars and school news.

GRADES/CONFERENCES

We have a trimester system at AVS. Report cards are standards-based. This means we report to you on your child’s progress toward reaching the state standards. Your child’s teacher will talk about the standards at Back to School Night.

Conferences will be conducted in the Fall and in the Spring. Report cards will be given out at the end of each trimester. Optional spring conferences will be held in March.

HOMEWORK

Each grade level assigns homework according to the district adopted Homework Policy. It is recommended that Kinder and First grade students have 10-15 minutes

per night and Second-Sixth have 10 minutes per grade level. (i.e. 4th: 40min., 6th 60min.)

HEALTH AND SAFETY

The safety of all students is our primary concern.

Emergency Information

Up-to-date information must be on file in the school office for every student. Please notify the office immediately should you have an address or phone number change. Students will only be released to adults listed on the emergency information. We ask that you list one out of state emergency contact in addition to your local contacts. Please note that carpool arrangements are not necessarily considered emergency contacts. Please be specific.

Any medical condition of your child should be noted on the emergency paperwork (i.e. asthma, allergies, heart conditions, etc.). By being aware of his/her conditions, we can better help your child in a medical emergency.

For your child’s welfare, please keep the emergency information current.

California Immunization Law

The California Health and Safety Code requires that every child entering a California school be immunized against polio, diphtheria, tetanus, measles, mumps, rubella varicella and hepatitis B according to regulations of the State Health Department. If your child has not fulfilled these requirements, he/she will be excluded from school. Your child will be readmitted to school as soon as you present evidence that the necessary immunizations have been started. Parents requesting medical exemptions for admission after July 1, 2019 must meet state requirements. See the office.

All first grade children in California must show evidence of a health screening examination within 18 months of entering first grade. Your child must also have an oral health assessment in kindergarten or first grade; whichever is his or her first year of public school. Parents retain the right to waive all or part of either examination.

Medication

California Ed. Code Section 49423 provides that any pupil who is required to take medication during the

regular school day prescribed by a physician may be assisted by the School Nurse or other designated school personnel. If your student must take a prescription or over-the-counter medication in school, you may do any of the following:

1. You or an adult designated by you in writing, may come to school and give the medication to your child.
2. You may get a copy of the Authorization for Medication form from the school office and take it to your child's health care provider. This form must be filled out and signed by the health care provider and the parent/legal guardian. Once completed, return this form and the medication to the school office. The medication must be delivered to the office in its original container.
3. You may choose to discuss with your healthcare provider a schedule for giving medication outside of school hours.

Emergency Plan

Student safety is our top priority. The school has developed a Safety Plan that is updated annually and covers what we will do in case of emergencies. This plan is available upon request.

Throughout the year, students participate in drills for events such as fire, earthquake and lockdown. We practice and evaluate the drills to provide the most efficient, prompt, and safe procedures for students and staff response to emergencies.

If a school emergency occurs, parents will be notified about the situation by the most appropriate form of communication. The communication format is dependent upon the emergency and may be a phone call home, an email to the address that you provided to the office staff, your child's teacher, a note taken home by your student and/or notification on our district website.

We ask that all families follow these guidelines in times of emergency:

1. Please do not drive to school. We must allow for access for emergency vehicles. We know that families are concerned for the safety of their children and want to be with them as soon as possible but we must not interfere with the ability of the appropriate agencies to respond.
2. We ask that you do not come onto campus and begin searching buildings for your student. Students will be in designated areas, supervised by staff members.
3. Turn on local radio (KZST 100.1 FM) and TV stations for information on what to do and where to respond.
4. Keep the phone lines open to receive information.
5. If student pick-up is necessary after a major disaster please proceed to the emergency "Student

Release & Records Station" family reunification zone, located behind the school. AVS staff members will guide you to the reunification zone (see lockdown/EVAC procedures.). Wait for your child to be dismissed by school personnel, please be prepared to show Photo I.D. We must carefully track the safety and whereabouts of each and every child who is at school.

6. Do not panic. As part of our emergency preparation we have essential supplies on hand to assist both the teacher and students during an emergency.

Through education, we can achieve our goal of a safe, appropriate and prompt response to any emergency situation. If you would like to assist as a member of our Safety Committee, contact the school office.

LOCKDOWN/EVACUATION PROCEDURES

PARENT PROCEDURES

1. Office is informed of something that warrants Lockdown to be called campus wide. "Lockdown" is initiated by front office over intercom. A 911 call is made.
2. All Staff quickly open classroom doors, look for any students, staff, or parents in hallway. These individuals enter the closest room and take shelter in a Lockdown.
3. Staff member locks all classroom doors, pulls curtains/blinds closed and assembles students in safe corner of room while remaining silent.
4. Staff, via text or email communicates status and attendance updates to Office Staff.
5. Front Office Staff (also in Lockdown) communicates Via *Home Alert System to Parents, when safe to do with status updates and Parent next steps.
6. All remain in Lockdown until Emergency Services arrive and situation is neutralized.
7. Parents informed with *Home Alert Updates of situational evacuation procedures and next steps should an evacuation be required.
8. Only School Administrator or Emergency Service Personnel will deem the campus safe resulting in opening each classroom.
9. Once Campus is deemed SAFE, Parents arrive on campus, students are picked up in dedicated pick up safe zone.
10. Follow up next steps communicated via social media and *Home Alert Updates.

AVS STUDENT EVACUATION PARENT PROCEDURES

You will receive a *Home Alert message via text/phone stating students are being evacuated, when it is safe to do so.

Be sure to check local road conditions via radio (KZST) /social media to ensure your safety to and from AVS to secure your child. Our *Home Alert System is programmed to the first number you submitted on your emergency card. If your number has recently changed, please notify the office.

Parents arriving at AVS to pick up your child during an evacuation:

Our front parking lot will be blocked off for emergency vehicle access only. Signage will direct parents to enter the side access lane near school entry. Parents will drive down side access lane where they will reach the Family Reunification Zone. (see map on back) Here, each parent will need to show picture ID as we may have an individual managing the Parent Check-in station who may be unfamiliar with who you are. Also, we would only release students to whomever is on the emergency card, no exceptions. Students will be released by a staff member at back field gate. Parents should continue east on the access lane after securing their child and exit on to Hwy 128.

**Home Alert System: This system calls the number you placed as the primary contact line on your child's emergency card, if your primary contact number should change, inform the office immediately.*

BIRTHDAY CELEBRATIONS

In working in partnership with all of you, we know how important your child's birthday celebrations can be, as well as the treats that come with these celebrations. In thinking about the impact that sugary treats can have on student learning, we encourage our parents to bring a healthy choice snack alternative. Below are a few suggestions from the AVS Wellness Committee that you might consider if you decide to bring in a "birthday treat".

- Honor their child's birthday by sending non-food treats such as stickers or pencils
- Ensure all food sent to school for birthday celebrations promote healthy food choices (100% juice instead of punch, 100% fruit juice freezer pops, Trail mix, fruit or vegetables, popcorn, dried fruits, yogurt, fruit leather, String cheese, or, Pretzel products)
- Ask your child's teacher what non-food or healthy rewards/incentives they are utilizing in the classroom.

TEXTBOOK & DIGITAL DEVICES

Textbook and digital devices will be assigned by the classroom teacher to your child. The student will care and use the books and devices as they are intended. They will responsible to pay for lost or damaged books and digital devices, including current price, tax, and replacement cost shipping. The following are

approximate costs for such items: Workbooks \$15, textbooks up to \$75, digital device up to \$300.

LIBRARY BOOKS

Students will go to the library once a week. Kindergarten may check out one book per week, while grades 1-6 may check out two books per week. They may check out two books at a time. Books must be returned on or before their due dates. DISCIPLINE

At Alexander Valley School we promote a positive and safe learning environment for all students. Each class will participate in lessons and assemblies that teach and practice appropriate behavior. Procedures for managing student behavior on the playground, in the classroom, in the cafeteria, at assemblies, on field trips, in the school bathrooms, at pick-up and drop-off times, while walking or rolling to and from school, on the play structures, and in the office and library are designed to allow students to correct inappropriate behaviors before more serious problems develop.

Our school **PRIDE** pledge highlights our student and staff culture at AVS.

P: Passionate
R: Responsible
I: Inclusive
D: Determined
E: Empowered

In addition, we also support the teachings and learning of our 3 B's program below.

I will keep my hands, feet and objects to myself. I will walk quietly and safely.

Be Respectful

I will respect others and myself. I will use kind words.

Be Responsible

I will be a good listener, follow directions, and do my best. I will be on time to class and ready to learn.

Continued inappropriate behavior will follow a progressive discipline plan that begins with the student and teacher, then includes the parents, then, if still unresolved, includes the principal.

APPROPRIATE DRESS

Students are expected to be neat and clean and appropriately dressed for school. **Shoes must be closed-toe.** Clothing must be free from unacceptable printing and not interfere with the learning environment. Clothing must cover underwear and be appropriate length. Hats are to be taken off indoors..

Lost and found items will be donated three (3) times a year to a local Goodwill store, after every minimum day. These minimum days are: the Friday before Winter Break, the Friday before Spring Break and the last day of school.

TRAFFIC AND SAFETY

A good day at school starts with arriving safely and on time. During drop-off and pick-up times, please keep in mind the following:

When parking:

- Park in the front parking lot.
- **Do not park or leave your car unattended on the curb in the front circle, these lanes are for drop-off and pick-up only.**
- Please avoid blocking neighbor's driveways.
- Use crosswalks if you need to park across the street.

When using the front curb

- Do not park or get out of your car as it holds up the entire line of cars behind you. Do not leave your car idling.
- Pull forward as much as you are able to allow more cars to drop-off at the same time.
- Children are to unload from the passenger side of the car.
- If you need to get out of your car you must find a legal place to park.
- If your child does not dismiss from the building in a timely manner, you may be asked to find a parking spot to wait.
- Do not park on either side of the school enter or exit signs as it blocks visibility of incoming traffic.

Please respect all school staff as they assist students and adults.

ANNUAL RIGHTS NOTIFICATION

The annual notification is available in an electronic format at www.alexandervalleyusd.org. A copy has been provided to you in your back to school packet.

These procedures shall prohibit access to harmful matter on the Internet which may be obscene or pornographic and preclude other misuses of the system.
