

## INTERDISTRICT ATTENDANCE

The Governing Board recognizes that students who reside in one district may choose to attend school in another district and that such choices are made for a variety of reasons. The Board desires to communicate with parents/guardians and students regarding the educational programs and services that are available in the district.

*(cf. 5117.1 Interdistrict Attendance Agreements)*

The Board recognizes that the district may be capable of serving additional students. Therefore, the Superintendent/Principal or designee may approve interdistrict attendance agreements with other districts.
